Enbasa USA will manufacture high-quality mattress ticking at a plant in Matkins, with anticipated production to begin in June 2006.

Governor Easley's office made the announcement today.

The company is the U.S. subsidiary of Spanish-owned Enbasa Laval. While wages will vary by job function, the expected average weekly wage of the new jobs is 534 dollars plus benefits, which is higher than the Caswell County average weekly wage of 421 dollars, not including benefits.
