Zaxby's seeks owners for 31 Triad stores

Zaxby's, a chain with a [Lexington](#) restaurant specializing in chicken fingers and Buffalo wings, is seeking entrepreneurs and businesspeople to open 31 more restaurants in the Piedmont Triad.

The restaurants will be in Davidson, Guilford, Forsyth, Alamance and Rockingham counties.

The Athens, Ga.-based chain has nearly 390 restaurants in 10 southeastern states. The expansion will give Zaxby's a total of 36 restaurants in the Triad.

In addition to [Lexington](#), the chain has opened three other restaurants in the region - in Clemmons, [High Point](#) and Asheboro - in the past seven years and has plans for one more restaurant in a yet-to-be-announced location in Guilford County.
